Crown jewels in crystal

Val Saint Lambert
FINE BELGIAN CRYSTAL

Val St. Lambert makes the finest Belgian lead crystal in the world: exquisitely shaped stemware, marvelously cut and polished accessories, unique signed pieces. This is the crystal made by hand for more than a century in a historic setting, the ancient Abbaye du Val St. Lambert. There is no crystal more brilliantly clear, more beautifully designed.

YOUR CUSTOMERS WILL APPRECIATE THE BEST

VAL ST. LAMBERT crystal has a world-wide reputation of unsurpassed quality. It provides you with an interesting sales story, even a romantic one. Your customers would like to know that . . .
VAL ST. LAMBERT crystal has been made for more than a century in the historic setting of an ancient abbey — the Abbaye du Val Saint Lambert on the banks of the Meuse river in Belgium.
VAL ST. LAMBERT craftsmen's skill has been handed down over generations and they are themselves trained for as much as ten years in all the fine skills that go into the making of this exquisitely beautiful handmade crystal.
The enclosed selection of accessories from our extensive line of Belgium's world-famous crystal has proved very popular with customers of quality stores. This catalog is for your convenience and reference in ordering. Additional leaflets will be sent from time to time.

All prices quoted include packing and are list prices subject to change. The usual trade discounts apply to all merchandise; shipped F.O.B. warehouse, Pelham Manor, N. Y.
